

The Kaimai Coast – this beautiful stretch of coastline encompasses, in just a few kilometres, many of the features that make New Zealand such a special place - the rolling surf to the tranquil harbour, thermal pools, sub-tropical gardens, orchards and farms on the fertile fringe of land sloping up to the bush-clad hills of the Kaimai Mamaku ranges.

Cycle and walk ways have been developed around Katikati—NZ Mural Town, which showcase the beautiful and unique features of this wonderful town.

Whether you walk in the bush or ride an urban trail you will be sure to have an exceptional experience.
